

Чтобы получить доступ к своей учетной записи, выполните следующие действия:

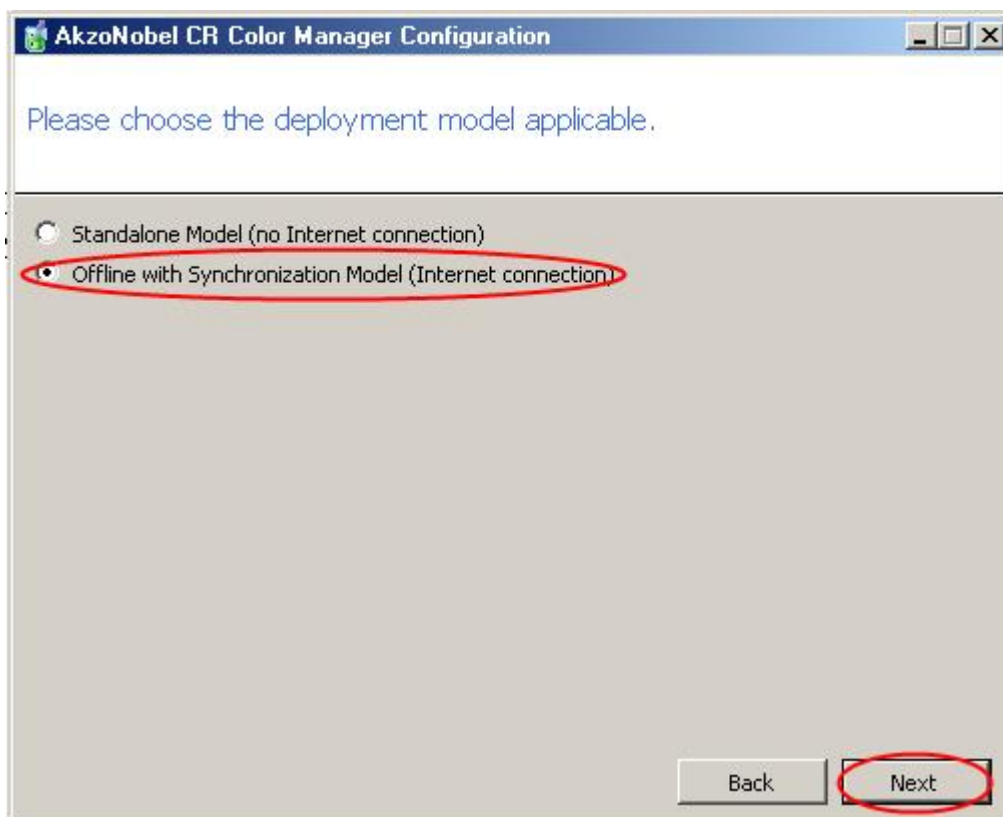

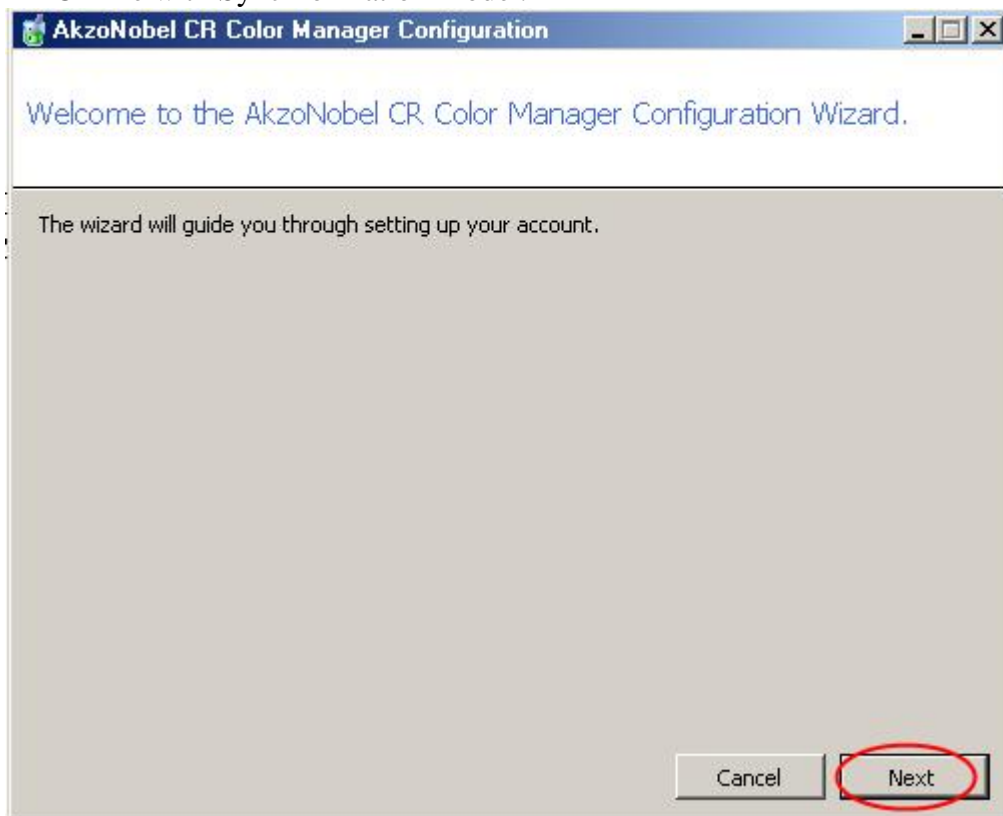

- Нажмите кнопку Пуск в Windows.

- Выберите пункт Программы, затем Color Manager, а затем Configuration.

- Войдите в пункт Configuration Menu, нажав кнопку Next и выбрав пункт Offline with Synchronization Model.

- Не вносите изменения с настройки прокси-сервера. Нажмите кнопку Next.

The screenshot shows a window titled "AkzoNobel CR Color Manager Configuration". The main heading is "Configure proxy server settings.". There are two radio button options: "No Proxy Server" (which is selected) and "Use Proxy Server". At the bottom right, there are two buttons: "Back" and "Next". The "Next" button is circled in red.

- В разделе Enter Account Information введите свое имя пользователя и пароль, а затем нажмите Next.

The screenshot shows a window titled "AkzoNobel CR Color Manager Configuration". The main heading is "Enter Account Information.". There are several input fields: "Account Number" (containing "CR\_CUST\_\*\*\*\*\*"), "Account Password" (containing "\*\*\*\*\*"), "Retype Account Password" (containing "\*\*\*\*\*"), "Account Brand Key" (containing "\*\*\*\*\*"), and "Account Feature Key" (containing "\*\*\*\*\*"). To the right of the password fields, there is an information icon and text: "Please reference the 'User Name AkzoNobel Car Refinishes' delivered to you per email. If you are uncertain about the email, please contact your AkzoNobel CR representative." To the right of the brand and feature key fields, there is another information icon and text: "Please reference the 'Mixit Validation Key' delivered to you per email. If you are uncertain about the email, please contact your AkzoNobel CR representative." At the bottom right, there are two buttons: "Back" and "Next". The "Account Number", "Account Password", and "Retype Account Password" fields are circled in red.
